**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Protect Sonic internet in California, the best internet service by far

Protect competition , esp the small competitor in this field.

Do your job!!!!

Broadband is critical to my home and business and my children.

Before using Sonic, I had many nightmares trying to deal with ATT internet. They would make promises and make promises and then deliver terrible service. When I finally had experienced the last breakdowns with them, they offered me a supposedly better service if I paid twice as much.

Keep Sonic alive!
